Dear Deputy Sanchez:

On October 12, 2011, you were served with a Letter of Imposition under File Number 2295965, notifying you that you were discharged from your position of Deputy Sheriff, Item No. 2708A, with the Department, effective as of the close of business on November 2, 2011.

On April 16, 2014, the discipline was reduced pursuant to a final Civil Service Decision. All Departmental records will reflect that you received a five (5) day suspension. The five (5) day suspension was deemed served on December 13, 2011 through December 17, 2011.

Pursuant to the Civil Service Decision, the investigation under IAB File Number 2295965, conducted by Internal Affairs Bureau, coupled with your own statements, have established the following:

1. That in violation of Manual of Policy and Procedures Section 3-01/050.10, Performance to Standards; on or about October 20, 2010, while on duty at Men's Central Jail, you failed to conform to the work standards established by the Department for your position when you failed to properly handle Inmate Clayborn and removed his handcuffs without having ensured that the inmate was properly secured.

The Sheriff's Department reserves the right to amend and/or add to this letter.

Sincerely,

JOHN L. SCOTT, SHERIFF

Deputy Gregory Rodriguez, # [REDACTED]

Dear Deputy Rodriguez:

On October 14, 2011, you were served with a Letter of Intention, indicating your right to respond to the Sheriff's Department's pending disciplinary action against you, as reported under IAB File Number 2295965. You were also advised of your right to review the material on which the discipline was based.

You did exercise your right to respond. After reviewing the response submitted to support your position, the Department executives have amended the recommended discipline.

You are hereby notified that pursuant to an Education-Based Discipline (EBD) Agreement between you and this Department dated March 23, 2012, you are suspended without pay from your position of Deputy Sheriff, Item No. 2708A, with this Department for a period of twenty-five (25) days. However, pursuant to the EBD agreement, twenty (20) of the twenty-five (25) days will be held in abeyance for a period of twelve (12) months which will end on March 22, 2013. All Department records will reflect, nevertheless, that you received a twenty-five (25) day suspension. In accordance with the EBD Agreement, you have agreed to participate in an education-based alternative to discipline. Should you fail to complete any of the terms and conditions of the EBD Agreement, the twenty (20) days held in abeyance will be imposed.

The effective dates for the remaining five (5) day suspension are from July 23, 2012 through July 27, 2012.

An investigation under File Number IAB 2295965, conducted by Internal Affairs Bureau, coupled with your own statements, has established the following:

A Tradition of Service Since 1850

1. That in violation of Manual Section 3-01/025.10, Unreasonable Force, and/or 3-01/030.05, General Behavior; and/or 3-01/000.10, Professional Conduct; and/or 3-01/040.97, Safeguarding Persons in Custody, on or about October 20, 2010, while on Duty at Men's Cental Jail, you used force that was not objectively reasonable against Inmate Clayborn, as evidenced by, but not limited to:
 - a) striking Inmate Clayborn multiple times with your right knee to the inmate's stomach area, and/or;
 - b) punching Inmate Clayborn multiple times in the face with your right fist, and/or;
 - c) striking Inmate Clayborn multiple times in the face with your right knee, and/or;
 - d) striking Inmate Clayborn multiple times on his right shoulder area with your right knee, and/or;
 - e) striking Inmate Clayborn several more times to the right shoulder area with your right knee while the Inmate was face down on the floor, and/or;
 - f) not working in a concerted effort with the other deputies present to restrain and handcuff Inmate Clayborn, choosing instead to punch and knee the Inmate.

Your actions during this incident are completely contrary to this Department's Core Values, Mission and Creed and as a Deputy Sheriff, they simply cannot be tolerated. By your actions, you have brought discredit upon yourself and the Sheriff's Department.

2. That in violation of Manual Sections 3-01/030.10, Obedience to Laws, Regulations and Orders, as per (Custody Division Manual Section 5-05/090.00, Escorting Procedures For Combative or Uncooperative Inmates), on or about October 20, 2010, while on duty at Men's Central Jail, you assisted in escorting a handcuffed, uncooperative Inmate, Richard Clayborn, into an alcove leading into the 2000 floor mini-clinic without the knowledge and/or presence of a supervisor (the clinic was closed at the time). The area where Inmate Clayborn was taken is not in a normal traffic area of the jail.

3. That in violation of Manual Section 3-01/030.10, Obedience to Laws, Regulations, and Orders, as per (Custody Manual Section 5-05/090.05, Handling Insubordinate, Recalcitrant, Hostile or Aggressive Inmates; and/or Men's Central Jail Unit Order 5-03-001, Confrontations with Uncooperative, Hostile or Aggressive Inmates), on or about Sunday, October 20, 2010, while on duty at Men's Central Jail, without the knowledge and/or presence of a supervisor, you allowed another deputy, Jose Sanchez, to remove the handcuffs from Inmate Clayborn, who was suspected of having a jail made weapon "shank" concealed on his person, thereby endangering yourself and fellow employees. Once the handcuffs were removed, Inmate Clayborn immediately turned toward Deputy Sanchez, and physically attacked him by punching Sanchez on the left side of his face with a closed fist. You along with other deputies, then became involved in a physical altercation with Inmate Clayborn in the small confined space of the clinic alcove, thereby making the situation all the more dangerous for the Inmate and personnel involved.
4. That in violation of Manual Section 3-01/050.10, Performance to Standards, on or about Sunday, October 20, 2010, while on duty at Men's Central Jail, you failed to conform to work standards established by the Department for your position, as evidenced by, but not limited to:
 - a) without direction, and/or without first obtaining permission or requesting assistance from a supervisor, you along with other deputies decided to take the handcuffed inmate into a secluded alcove on the 2000 floor. You and the other deputies had decided on your own to handcuff the inmate to some bars, and have him sit on a crate where he would be expected to defecate into a plastic bag, and/or;
 - b) once in the alcove, you observed Deputy Sanchez remove the handcuffs from the potentially armed suspect which led to the physical confrontation with the inmate in a narrow alcove, and/or;
 - c) failing to make any visible or sustained effort to handcuff the inmate, instead you employed your fists, kicked the inmate, and forcefully struck him with your knee as the inmate lay face down on the floor.

Additional facts and grounds for this decision are set forth in the Disposition Worksheet, Investigative Summary and Investigative Packet which are incorporated herein by reference.

In taking this disciplinary action, your record with this Department has been considered, and a thorough review of this incident has been made by Department executives, including your Unit and Division Commanders.

You will hereby take notice that any future acts of misconduct may result in more severe disciplinary action.

The Sheriff's Department reserves the right to amend and/or add to this letter.

Sincerely,

LEROY D. BACA, SHERIFF

SUBJECT INTERVIEWS

Deputy Matthew Kerfoot

Subject Kerfoot was interviewed by Internal Affairs Bureau Sergeants Carlos Flores and Scott Graham on September 20, 2011, at 1026 hours. The interview was conducted at the Internal Affairs Bureau, and was digitally audio recorded. Subject Kerfoot was represented by Attorney Helen Schwab

Subject Kerfoot stated that the information contained in his Supplemental Report, which he wrote on the day of the incident, is an accurate account of what transpired on October 20, 2010. He additionally stated that his statements provided during his interview with Internal Affairs Bureau investigators on May 4, 2011, were truthful.

Subject Kerfoot reiterated that when Sergeant Mosquera told him to return the inmate from the main clinic to the 2000 floor, he did not hear the sergeant tell him to "secure him to the bench." He said that by placing Inmate Clayborn in the Mini-Clinic, he did not believe he had deviated from the sergeant's direction. He said he believed that ultimately placing the inmate in the Mini-Clinic was what the sergeant was going to ask them to do. Subject Kerfoot stated that during his contacts with Sergeant Mosquera, he was not told about a Unit Order that addressed what they were dealing with. He again stated that he was unaware of a Unit Order, and he was dealing with the situation the same way he had dealt with other similar situations in the past.

Subject Kerfoot stated that during his contact with Inmate Clayborn, he (Clayborn) was completely cooperative, up until the time the handcuffs were taken off. He said the inmate did not give him any indication whatsoever that he was going to become hostile or assaultive. He said that due to the fact that Inmate Clayborn was so cooperative, he (Kerfoot) felt comfortable when Deputy Sanchez took the handcuffs off. He said that in hindsight, he would not have taken the handcuffs off of a potentially armed suspect.

Subject Kerfoot said that the area they were in (Mini-Clinic) was "very close quarters." He said that when Inmate Clayborn became assaultive, it was extremely hard to gain control of him due to the limited space. He said that during the struggle with the suspect he utilized kicks and strikes with his knees. He said that during his time on the department, he has been trained in utilizing that type of force. He said that when he utilized the different types of force (kicks, knees, punches), he believed he had no other option due to the suspect's actions.

Subject Kerfoot said that during their struggle with Inmate Clayborn, he saw only one opportunity to attempt to grab his hand, and attempt to handcuff. He said that when he then attempted to grab the inmate's hand, the inmate struck him in the face with his elbow. He said he did not observe another opportunity to attempt to handcuff the inmate until after the Taser was utilized. Subject Kerfoot said that he believes Deputy Sanchez utilized the Taser upon his first opportunity to do so.

Subject Kerfoot stated that only Deputy Sanchez utilized the Taser. He said Deputy Sanchez fired the Taser once, and he saw the prongs strike the suspect. He said he believes Deputy Sanchez activated the Taser a total of one or two times.

IAB Note: Prior to his interview, and during the interview, Subject Kerfoot was shown the video recording of the incident. Subject Kerfoot had seen the recording previously.

Subject Kerfoot stated that the inmate was assaultive and resistive during the entire incident. He said that though he was aware that other deputies were using force, he was unaware of the force they were using. He said he was concentrating on the inmate, and trying to gain control of him. He said that the force he saw being used on the video recording was appropriate, based on his knowledge of what was occurring. Subject Kerfoot said that no additional force was necessary after the inmate was handcuffed, nor was any used.

For his complete statement, refer to Subject Kerfoot's interview transcript.

Deputy Jose Sanchez

Subject Sanchez was interviewed by Internal Affairs Bureau Sergeants Carlos Flores and Scott Graham on September 20, 2011, at 1130 hours. The interview was conducted at the Internal Affairs Bureau, and was digitally audio recorded. Subject Sanchez was represented by Attorney Helen Schwab.

Subject Sanchez stated that the information contained in his Supplemental Report, which he wrote on the day of the incident, is an accurate account of what transpired on October 20, 2010. He additionally stated that his statements provided during his interview with Internal Affairs Bureau investigators on May 24, 2011, were truthful.

Subject Sanchez stated that while waiting in the main clinic for further instruction, Deputy Kerfoot arrived and told him that Sergeant Mosquera had directed them to take the inmate back to the 2000 floor. He said he was not told that the sergeant wanted the inmate secured to a bench. He said that though he did not discuss a plan or procedure with the other deputies, he knew the inmate would be handcuffed, provided a crate and plastic bag, and monitored. He said he reached that conclusion based on his past experiences, and understood that the other deputies knew the procedure as well. Subject Sanchez said the inmate could have been monitored from the bench or the Mini-Clinic. He said that based on the amount of inmates in the hallway, they decided to take the inmate to the Mini-Clinic.

Subject Sanchez stated that up to the time that the handcuffs were taken off the inmate, he (Clayborn) was completely cooperative. He said that based on the inmate's demeanor prior to removing the handcuffs, he did not feel the inmate was going to become hostile. Subject Sanchez said that because the inmate was so cooperative, he felt comfortable taking the handcuffs off, knowing that other handcuffs were going to be utilized quickly.

He said that in hindsight, he should have had one of his partners controlling the inmate's hands when he took the handcuffs off. Subject Sanchez said that in his four years of working at the Men's Central Jail, he had not been attacked by an inmate after taking handcuffs off.

Subject Sanchez stated that during the struggle with Inmate Clayborn, he (Sanchez) struck the inmate on his ribs utilizing his elbows. He stated he utilized that force due to the fact that the inmate appeared to be attempting to get back on his feet. Subject Sanchez stated that he wanted to keep the inmate on the floor in order to keep better control of him. He said that during the incident he also utilized punches and eventually the Taser. Subject Sanchez said he attempted to control the suspect's lower body, and legs, by using his body weight and arms. He said he was aware that the other deputies were using force, but did not know what type of force they were applying. He said he was concentrating on the subject's actions.

Subject Sanchez stated that he utilized the Taser as soon as he could. He said that due to the limited space, he was unable to utilize it sooner than when he did, and he used it when he felt it was the best time. He said that due to the size of the area, he feared striking one of his partners with the Taser. Subject Sanchez stated that no other deputy utilized a Taser during this incident. He stated that he utilized the Taser with the cartridge and prongs. He said he did not utilize the Taser in a "Drive Stun" mode, prior to utilizing the cartridge.

Subject Sanchez confirmed that he fired the Taser at the inmate, striking him with the prongs. He said he then placed the Taser on the inmate's leg and completed a "three point contact." He said that he has been trained to use the "three point contact" method, in order to maximize the effect of the Taser. Subject Sanchez stated that he activated the Taser two times, once to fire, and once when he completed the "three point contact." Subject Sanchez said that was the only time he utilized the Taser during the incident. He said the inmate was handcuffed after the use of the Taser. He said no other force was used after the inmate was handcuffed.

IAB Note: Taser Camera Video and Download Report are included in this case book. See **Exhibit A (Exhibit G)**. Record indicates 10 seconds of activation, beginning at 11:42:24 AM.

Prior to his interview, and during the interview, Subject Sanchez was shown the video recording of the incident. Subject Sanchez had seen the recording previously.

Deputy Sanchez said he believes the force he utilized was the only option he had at the time. He said that the force he observed on the video recording was appropriate based on his knowledge of what was occurring.

He said that by placing the inmate in the Mini-Clinic it also eliminated the chance that Inmate Clayborn could pass the weapon to another inmate.

Subject Rodriguez said that at that time he was not aware that a Unit Order existed, which addressed these types of situations. He said he and the other deputies followed the procedure that they had done in the past. Subject Rodriguez stated that he was aware that there was a camera inside the Mini-Clinic, and the inmate could then be monitored. Subject Rodriguez acknowledged that during the incident he utilized personal weapons; punches, and knee strikes. He said he was aware that the other deputies were using force, but did not know what type of force they were using. He said he experienced "tunnel vision," as he was completely focused on the inmate's actions.

Subject Rodriguez said the suspect was assaultive and resistive up until the Taser was utilized. He said he saw that when the Taser was used, the prongs struck the Inmate's back. He said that the Taser was used only one time during the struggle with Inmate Clayborn. Subject Rodriguez said that the use of the Taser was very effective as it immediately stopped the inmate's "fight on deputies." He stated that they were then able to handcuff the suspect.

Subject Rodriguez stated that he did not see an opportunity to just restrain the inmate until the Taser was used. He said the inmate was kicking and swinging his elbows throughout

the incident, despite the force that was being used by the deputies. He said he believes the force he utilized was the only option he had at the time.

IAB Note: During the interview, Subject Rodriguez was shown the video recording of the incident. Subject Rodriguez had seen the recording previously.

they took the inmate down to the ground. He said the inmate began kicking and swinging his elbows, striking him (Villalobos) in the face.
